

01 DEAR FRIEND

My dear friend
You're away
My dear friend
I'm o.k.

You spoilt me because
You gave me so much
The time I spent with you
The best of my life

It's not a dream
But it seems like a dream

I love you

02 THERE IS ONLY

I swim in the darkness
I swim in the darkness
There's no-one here
There is no communication

I swim in the darkness
I swim in the darkness
There's no fear
There's no
nothing

There is only a destination
I will be there

Soon

03 HOPE

In a cold grey morning
A bird is singing
Hope
Hope

Glue to my thoughts
They are vacant
Thoughts
An empty space
Full of nothingness
Space
Hope
Hope

Where am I going to
What will happen to me

04 LOVE

Wake up
Wake up

A bright light's coming through the window
You're still sleeping
That's o.k.
I'm just happy to see your face

Love is here
I'm in love with you

What should we do
Where shoul we go

It is a beautiful day
We don't know
That's o.k.
I'm just happy to be with you

05 BIRTH

Talking to myself
Talking to myself
Something moves
Something moves

Where am I going to
Where am I going to
Something moves
Something moves

I look around
I've found the sky

I stand still
I can see through

But I can't reach

06 JEALOUSY KILLS

Someone is good
You are not
Someone is up
You are down
Someone gets it
You don't
Someone wins
You lose

You can't accept it
You can't get over it
You can't be yourself
You don't even know

Jealousy kills
Jealousy kills

You

07 STRANDED

Stranded within your reach
Cos my bones are bent
See it through to the end
For your sake
It seems so vague
I've no-where to go

Don't smile
Cos I'd disintegrate
I'm on a cloud
I'm alone

Don't drag me down
Cos I'm invincible
I stroll passed you with a sinister smile

When we were young
We were in the garden
Where we felt eternity

08 BIRTH (reprise)

09 ORANGE SKY

I'm here
You're there

Where am I
Where am I

Orange sky is above me
Flowers everywhere

No-one is here
No-one is here

Walk through the flowers
I see something
But I can't figure out

What it is
What it is

No-one is here
No-one is here

10 LOVE DOESN'T UNDERSTAND ME

Love is strange
When she whispers in my ear
I can't hear anything

I've been thinking again
I always miss the rain
I've been thinking again
I always miss

Love You don't know
Love I don't know
Love is Love
But it doesn't understand me

When she is away
Far far away
I can hear everything
